Spiritual Retreat

Saturday

October 18th

9:00am* - 4:00pm

Richmond Beach**

*A continental breakfast will be provided at 9:00am.

Please bring a prepared dish to share for our potluck lunch.

The deepening experience within our Spiritual Retreat, one that is in alignment with this year's spiritual discernment, will feature an introduction to the practice of **Restorative Justice** - how it works and how it is being used in our communities, guided by Sally Jo Gilbert de Vargas with friends of our community, Elizabeth Maupin and John-Otto (Joshua) Liljenstolpe. We will have an opportunity to experience a demonstration practice circle first hand.

I am continually humbled by human capacities for openness, heart-centered connecting, humility, compassion, understanding, and love. I find that restorative justice in general and peacemaking circles in particular help us connect with our deepest and best selves and bring these dimensions of ourselves to some of the hardest challenges we face. —Kay Pranis

Linda Stern will guide us in joyfully creating a community art project.

**RSVP healingstarlinda@gmail.com Directions will be sent by return email.

"Our ICS retreat builds deeper relationships between us all and is filled with the joy of each other's smiles." — Linda

All members encouraged to attend: Come share your radiant smile and joy with us!
