InterSpiritual Celebration of Generosity

the Wisdom of World Religions

Sunday, November 19th 2:30—4:30pm

Join us as we: experience our shared value of Generosity with the diversity of 9 Eastern and Western faith traditions through the rich liturgical forms of chants, instrumentals, movement and spoken word to warm our hearts with hope as we enter the Holiday Season in Community.

We are grateful for the creative contributions shared by our neighbors of diverse spiritual traditions: Baha'i, Buddhist, Christian, First Peoples, Hindu, Jewish, Muslim, Sikh, Sufi.
