**YOUR LOVE OFFERING
ACCEPTED AT THE DOOR!**

Join us for a delightful evening of music and fun with our treasured musician, Isla Ross and friends. This gathering is a FUN-RAISIER. Not only will we have fun together, we will also be assisting the Sanctuary in fulfilling its interfaith mission.

Isla Ross is a Devotional Artist and Composer who offers Healing Songs, Interfaith Chants, and Meditative Music, accompanied by an array of exotic instruments. Even as a child, she was fascinated by the spiritual practices and music of many cultures. In 2002, Isla experienced a transformative year in Europe, including a Sacred Clowning retreat in a Tibetan monastery. The lessons included Sacred chants of India. She continued studying with several sound healers in England and back in the US. In 2005, Isla found her way to the Interfaith Community Sanctuary in Seattle, where she shares music for services and events.
