

Earth Circle Summer Retreat

August 8, 2026 10:00 am – 6:00 pm
Earth Sanctuary on Whidbey Island

We will start the day with a Medicine Wheel teaching. Summer is in the South direction on the Medicine Wheel of many cultures. After a quick overview of the entire Medicine Wheel, we will concentrate on the energy of the South.

You will have time to wander the beautiful land of Earth Sanctuary. Then we will gather again at the Retreat Center and we will have Council time during which everyone who wishes can share whatever is in their heart. A dinner of lentil soup and salad will be served.

Cost: sliding scale \$25 - \$125, suggested \$40*

Register: contact Elizabeth Uding via email,
woodfrog789@gmail.com, be sure to put “Summer Retreat” in
the subject line.

Details such as directions to the retreat center and what to bring will be sent to you after you register. Ask Elizabeth if you are interested in staying the night on Saturday night.

*after recovering the costs of offering this retreat, if there is money leftover it will be split donation to Earth Sanctuary and Interfaith Community Sanctuary
